FELIX CALDERON,	)	<u>REPORT AND RECOMMENDATION</u>
	)	<u>OF MAGISTRATE JUDGE</u>
Defendant.	)	

Pursuant to General Order 99-49, this case was referred to a United States Magistrate Judge for the purposes of receiving, on consent of the parties, Defendant Felix Calderon's proffer of a plea of guilty, conducting the colloquy prescribed by Fed. R. Crim. P. 11, causing a verbatim record of the proceedings to be prepared, conducting a presentence investigation, and submitting a Magistrate Judge's Report and Recommendation stating whether the plea should be accepted and a finding of guilty entered. ECF Dkt. #271. The following, along with the transcript or other record of the proceedings submitted herewith, constitutes the Magistrate Judge's Report and Recommendation concerning the plea of guilty proffered by Defendant Calderon.

1. On October 4, 2016, Defendant Felix Calderon, accompanied by Attorney Jaime Serrat, and with the aid of Spanish Interpreter Ana Lahr, executed a consent to referral of his case to a United States Magistrate Judge for the purpose of receiving his guilty plea.

2. With the aid of the interpreter, Defendant Calderon then proffered a plea of guilty to Count One of the Indictment.

3. Prior to such proffer, Defendant Calderon was examined as to his competency, advised of the charges and consequences of conviction, informed that the Court is not bound to apply the Federal Sentencing Guidelines but must consult the guidelines and take them into consideration

when it imposes the sentence and of the possibility of a departure from the Guidelines, notified of his rights, advised that he was waiving all of his rights except the right to counsel, and, if such were the case, his right to appeal, and otherwise provided with the information prescribed in Fed. Crim. R. 11.

4. The undersigned was advised that a written plea agreement existed between the parties, and no other commitments or promises have been made by any party, and no other written or unwritten agreements have been made between the parties.

5. The undersigned, with the aid of an interpreter, questioned Defendant Calderon under oath about the knowing, intelligent, and voluntary nature of the plea of guilty, and the undersigned believes that Defendant Calderon's plea was offered knowingly, intelligently, and voluntarily.

6. The parties provided the undersigned with sufficient information about the charged offenses and Defendant Calderon's conduct to establish a factual basis for the plea.

In light of the foregoing, and the record submitted herewith, the undersigned concludes that Defendant Calderon's plea was knowing, intelligent, and voluntary, and all requirements imposed by the United States Constitution and Fed. R. Crim. P. 11 have been satisfied.

Accordingly, the undersigned recommends that the plea of guilty be accepted and a finding of guilty be entered by the Court as to Count One of the Indictment.
